

Become an Official COMMUNITY AMBASSADOR!

WHAT IS A COMMUNITY AMBASSADOR?

youthSpark's *A Future. Not A Past.* Campaign is a statewide campaign dedicated to disabling the demand for child sex trafficking through research, legislative advocacy, education and training. *A Future. Not A Past.* Community Ambassadors are community members who volunteer their time to raise awareness regarding child sex trafficking and keeping their friends and family informed! Learn how to use YOUR voice to raise awareness in YOUR community! Become an official *A Future. Not A Past.* Community Ambassador by attending a one-time 3 hour training session where you will be educated on child sex trafficking here in Georgia, the demand for these children, red flags to look for, services available for any child in need of help, and how to report this crime to law enforcement.

Community Ambassador roles include, but are not limited to:

- Host an awareness presentation in your community. youthSpark will help prepare materials for your group and attend as a speaker (if schedule permits)
- Join our legislative efforts by contacting your legislators in support of legislation that protects children and provides needed services

Spreading the word anywhere you can regarding victims and the buyers and sellers who seek to exploit our children is critical to educating our communities and stopping the prostitution of Georgia's children. Email info@youth-spark.org for more information!

There is no such thing as a child prostitute. Countless girls are coerced, abused, and forced to live a life of exploitation at the hands of predators. Become involved in the fight to protect our children.
